

# Jungle Adventure im Cuyabeno

Gorgeous landscapes and lagoons, anacondas, monkeys and river dolphins, all kinds of parrots and a romantic Eco-lodge are waiting for you in the Cuyabeno National Park, the second largest nature reserve in Ecuador.

The lodge is located right at the Coyabena River, where you can take a refreshing bath. The cabañas are practically furnished to serve their purpose. Each one has its own bathroom with hot water.

The lodge is the only one in the Cuyabeno that has a 23 meter high tower from which you can observe birds of all kinds.

Hammocks are available throughout the lodge and invite you to relax.

All tours are guided by excellent and highly experienced tour guides.
